BASE GAME

- The Racking Up Riches feature is initiated when a group of 4 or more matching Single Blue Blob, Single Pink Blob, Single Orange Blob, Single Green Blob, Single Red Jar, Single Purple Jar, Single Yellow Jar, or Single Teal Jar appear horizontally or vertically adjacent to one another. Each such group will collapse, combining symbols to occupy as few positions as possible. No more than 4 Single Blue Blob, Single Pink Blob, Single Orange Blob, Single Green Blob, Single Red Jar, Single Purple Jar, Single Yellow Jar, or Single Teal Jar can be combined into a single position.
- After symbols are combined, then all other positions on the reels will disappear and new symbols appear in all empty positions. If enough new symbols appear to form at least 1 additional Blue Character, Pink Character, Orange Character, Green Character, Red Jar Stack, Purple Jar Stack, Yellow Jar Stack, or Teal Jar Stack, then symbols in all groups consisting of 4 or more matching Single Blue Blob, Single Pink Blob, Single Orange Blobs, Single Green Blobs, Single Red Jar, Single Purple Jar, Single Yellow Jar, or Single Teal Jar are combined again. This process repeats until no new Blue Character, Pink Character, Orange Character, Green Character, Red Jar Stack, Purple Jar Stack, Yellow Jar Stack, or Teal Jar Stack can be formed.
- Winning combinations consist only of Blue Character, Pink Character, Orange Character, Green Character, Red Jar Stack, Purple Jar Stack, Yellow Jar Stack, or Teal Jar Stack in the same group of matching symbols.
- Winning combinations are awarded only after all disappearing and appearing has ceased.
- Blue Character, Pink Character, Orange Character, Green Character, Red Jar Stack, Purple Jar Stack, Yellow Jar Stack, or Teal Jar Stack appear only as a result of combining during the Racking Up Riches feature, or when placed in a random position on the reels at the start of each free game during the Free Game Bonus.
