

Game Rules

- Spin starts the game with the currently selected bet and 40 lines.
- Bet max selects maximum bet.
- Payouts are displayed on the payable.
- Payline wins are multiplied by coin value bet per line.
- The highest win amount is paid on each payline.
- All symbols pay left to right starting from the leftmost reel, except scatter which pays anywhere.
- All wins occur on paylines only, except scatter.
- Coinciding wins on different lit paylines are all added to your total.
- All wins are added.
- Player is responsible to ensure correct bet and play selection.
- Malfunctions void all pays and plays.

Free Spins

- WILD: Wild appears on reels 2,3,4 and 5 only. Wild pays a credit prize on a new landing position and stays on the landing position during all remaining free games.
 - SCATTER: Scatter appears on reels 1,2, and 3 only and 3 scatter symbols award additional 5 free games.
-
- The active paylines and selected bet per line during free games are the same as the game which triggered the free games feature.
 - Reel strips used for the free games differ from base game reel strip.
 - Free game feature can be re-triggered only once
 - If scatter symbols lands on a wild symbol, it counts as a scatter and can trigger extra free games.
 - If wild lands on a wild, it does not pay the credit prize.
 - New wild credit prize is multiplied by the player total bet.
 - New wild wins are added to the lines wins.
