

## 1. **Introduction**

### 1.1 Stars Of Olympus Classic

Stars Of Olympus Classic is a slot machine including 5 reels and 3 rows, which results in a total of 15 symbols on the display. The game is played with 25 fixed paylines.

When 3 scatter symbols appear on reels 2,3 and 4, the bonus game feature is triggered. The player can choose their favourite character from a selection of five in the first round of the bonus game. The second round allows the player to select one of five items specific to the character. The Bonus payout is calculated in such a way: Triggering bet x Olympian multiplier x Item multiplier.

During the main game, the player has a possibility to win a Spreading Wild anywhere on the 3<sup>rd</sup> reel. The Spreading Wild awards random number of 1 to 3 free spins and turns 2-4 random positions anywhere on the reels into wilds. Those Wilds remain on the reels until awarded free spins are done.

## 2. **Main Game**

### 2.1 Main Game

The main game is started when all required media is uploaded.

## 2.2 Bonus Game

The bonus game is triggered whenever 3 scatter symbols appear on reels 2, 3 and 4. The player is able to choose his favorite character from a selection of five to win base bet multipliers.

Once selected, the character will move to the foreground, revealing its multiplier and presenting an array of 5 items specific to the character for the player to choose from. When the player chooses an item, the multiplier for that item is revealed and after a brief pause the award screen is shown where the total prize is awarded.

*Bonus Payout = Triggering bet x Olympian multiplier x Item multiplier*

After receiving the bonus payment the player returns to the base game stage.

## 2.3 Free Spins

Free Spin stage triggered when Spreading Wild symbol lands anywhere on the third reel. The number of free games awarded are from 1 to 3 free spins. After determining the number of free spins, Spreading Wild explodes resulting in the appearance of 2-4 extra Wild symbols anywhere on the reels. These extra wilds remain locked till the end of the free spin rounds. The background image for free games is changed. The free spin rounds start and the player should not use the SPIN button for next spin between these rounds. The bet per win is the same as the game that triggered the feature

## 3. Payout

### 3.1 Return to Player (RTP)

The theoretical player return percentage for Stars Of Olympus Classic is **94.34%** with a base game hit frequency of **47.31 %**, free game hit frequency of **23.11%** and bonus game hit frequency of **23.92%**. There are no strategies, features or settings that the player can change that will affect the payout (i.e.: configurable number of pay lines or size of bet that will affect hit frequencies).
