

Bison Moon Ultra Link&Win™

About this Game

This is a 5 reel 3 row video slot game.

The objective of the game is to spin the reels so the symbols land in different combinations.

Winning combinations are highlighted on the reels and a payout is awarded.

Payline Rules

The number of paylines played is fixed.

A payline is a pattern of adjacent symbol positions that runs in a line across the reels.

Payline wins run from left to right, starting from the first slot reel.

This game includes 25 paylines.

A win is awarded when matching symbols land adjacent to each other on a payline.

Bet Rules

Each spin played costs a total bet amount.

Payout Rules

The payout value is based on the winning combination formed.

Only the highest winning combination is awarded per symbol combination.

The Paytable displays the payout for each symbol combination based on the current bet.

The total payout is the sum of all payline wins and Scatter wins resulting from a spin.

If multiple winning combinations land on a single payline, only the highest win is awarded.

Wild Symbols

The Wild symbol is a wild symbol.

The Wild symbol can substitute for all symbols except the Link&Win™ and Scatter symbols.

The Wild symbols can appear on any reel.

Scatter Symbols

The Scatter symbol is a scatter symbol.

Scatter symbols appear on reels 2, 3, and 4 only.

3 Scatter symbols landing on the base reels trigger Free Spins and pay 1 times total bet.

Scatters pay in any position.

Scatter wins are multiplied by the total bet.

Scatter wins are added to line wins.

In the event of a Scatter symbol win and a line win, both wins are paid out, as the Scatter symbol does not need to appear on a payline to win.

Scatter symbols cannot be substituted by the Wild symbols.

Win Booster™ Rules

Win Booster™ adds additional Link&Win™ symbols to base reels increasing the chance of triggering the Ultra Link&Win™ feature.

You can choose to activate or deactivate the Win Booster™ in the base game.

The boosted bet consists of your current bet plus an extra bet.

The extra bet is equal to 2.5 times your current bet.

Some settings and features may not be available in this game.

Ultra Link&Win™

Ultra Link&Win™ feature is triggered when 6 to 14 Link&Win™ symbols land.

Ultra Link&Win™ begins with 4 locked rows and 3 unlocked rows.

All triggering Link&Win™ symbols are held on the reels.

The feature starts with 3 respins.

Each position that is not held spins individually.

Respins have special reels with Link&Win™ symbols and blank positions only.

All additional landed Link&Win™ symbols are held on the reels.

If any additional Link&Win™ symbols land, the number of respins resets to 3.

Ultra Link&Win™ ends when no respins remain or when 35 Link&Win™ symbols are locked on the reels.

Each Link&Win™ symbol reveals a cash prize or a Jackpot.

The Mini, Minor, and Major Jackpots are awarded for each Link&Win™ symbol they appear on.

Filling the reels with 35 Link&Win™ symbols awards the Mega Jackpot.

The Mega Jackpot is added to the sum of the prizes awarded on the Link&Win™ symbols.

Ultra Link&Win™ can be triggered in both base game and free spins.

Link&Win™ symbols cannot be substituted by the Wild symbols.

Bison Stampede

Bison Stampede can be triggered randomly after a spin.

Flaming bison heads appear on some reel positions after the stampede.

The bison heads will transform and reveal 1 of 3 symbols.

Link&Win™, Wild or Scatter symbols can be revealed.

Any wins are awarded after the symbol reveal.

This feature can be triggered in base game only.

Free Spins

3 Scatters trigger 10 Free Spins.

The centre 3 reels combine to form a 3 x 3 Jumbo Block.

Landing a scatter Jumbo Block awards 10 additional free spins and 1 times total bet.

The Link&Win™ Jumbo Block acts as 9 individual symbols.

Win Booster™ state is the same as the spin that triggered Free Spins.

Win Booster™ state cannot be changed during Free Spins.

All bets played are the same as the spin that triggered this feature.

All lines played are the same as the spin that triggered this feature.

Autoplay

This feature is available in base game only.

Autoplay allows a selected number of spins to play out automatically.

Spins: Sets the number of spins for the Autoplay session. Autoplay ends when these spins have played out.

The number of spins remaining in the Autoplay session is displayed in the game.

Spins are played at the current selected bet.

Some settings and features may not be available in this game.

Game Controls

Spin button: Starts a reel spin.

Stop button: Stops the current reel spin. This does not influence the results of the spin.

Paytable button: Displays payout tables and game rules.

Help button: Displays help and additional information.

Home button: Exits the game.

Free Games

A Free Games offer is a number of free game spins awarded to a player.

Each offer has a unique reference number.

The bet configuration is set by the game managers and cannot be changed.

Wins are added to the cash or bonus balance, depending on the offer.

An offer can be played now, played later, or discarded.

Select Play Now to begin playing a Free Games offer.

Only one Free Game offer can be played at a time.

Select Play Later to postpone the offer.

A postponed offer will be available again when re-entering the game.

A discarded offer can only be re-opened by contacting the game managers and providing the reference number.

When an offer is complete, discarded, or expired the next available offer is displayed.

Each offer has an expiry date and time; if an offer is not played before this time, it will no longer be available.

Additional Information

Some settings and features may not be available in this game.

Malfunction voids all pays and plays.

Any changes to game rules will be conducted in accordance with regulatory requirements.

In the event of a disconnection, the final game state is displayed on return to the game.

The balance is updated with the amount won or lost.

The results of the last game played are displayed.

If a request does not reach the server before disconnection, the results of the previous game played are displayed.

Any features in progress that require interaction or selection can be continued.
