- A stacked Mystery symbol is a Mystery symbol that covers 4 positions on the reel and can be fully or partially visible depending on how the reels stop (2, 3 and 4 symbols can be visible).
- Landing a fully stacked Mystery symbol on reels 3 and/or 4 in the main game activates the Mystery Multiplier. Landing a fully stacked Mystery symbol on reels 3 and/or 4 in the main game together with a Tower Wild or a Battle Wild activate the Thoth-Amon feature. The Mystery Multiplier is not triggered in case of a no-win spin. All wins are multiplied by the Mystery Multiplier.

- One or more fully stacked Mystery symbols together with one or more Tower Wilds or Battle Wilds can activate the Thoth-Amon feature. If the Thoth-Amon feature is activated, 3 - 6 Mystery symbols are randomly added on reels 2 – 5 on any position that is not already covered by another Mystery symbol, Scatter symbol or a Wild symbol. If there are no positions available, the feature ends.

BATTLE WILDS

- Battle Wilds can appear on reels 5 and 6 in the main game and expand to up to 3 symbol positions sideways to an adjacent reel (reel 5 or 6). Battle Wilds can expand to a position already occupied by a Battle Wild but will not expand to cover Scatter symbols. Battle Wilds substitute for all symbols except for Scatter symbols.

LINKED REELS

- In the main game, the reel pairs in each of the three 2x4 sections have a chance of being linked with the other reel in the same section.
- In Free Spins, each spin has a random number of at least two adjacent reels linked together with a maximum of 6 linked reels.

FREE SPINS

- There are three different types of Free Spins: City of Thieves Free Spins, Temple of the Serpent Free Spins and Walls of Tarantia Free Spins. All three Free Spins have different levels of volatility.
- Each Free Spins is connected to one of the features in the main game. The City of Thieves Free Spins with the Tower Wilds feature, the Temple of the Serpent Free Spins with the Mystery symbols, Mystery Multiplier and the Thoth-Amon feature, and the Walls of Tarantia Free Spins with the Battle Wilds feature.
- In each of the Free Spins types only the said feature is active as well as the Linked Reels.
 - In the City of Thieves Free Spins, Tower Wilds can appear on all reels and expand up and or down to cover the reels partially or entirely. No other features, except Linked Reels can be activated. Volatility: Low/Medium.
 - In the Temple of the Serpent Free Spins, Mystery symbols and stacked Mystery symbols can appear on all reels. Landing at least one fully stacked Mystery symbol covering a whole reel activates the Mystery Multiplier that multiplies all bet line wins by 3 – 7 respectively. Landing 5 – 9 Mystery symbols randomly activate the Thoth-Amon feature. The Thoth-Amon feature randomly adds 3 - 6 Mystery symbols on any of the reels. The Tower Wilds and Battle Wilds are not active during this feature. Volatility: Medium/High.
 - In the Walls of Tarantia Free Spins, Battle Wilds can appear on all reels and expand to up to 3 symbol positions sideways to an adjacent reel. No other features, except Linked Reels can be activated. Volatility: Low/Medium.
- Free Spins are played with the same bet and coin value as the round activating Free Spins.
- At the end of Free Spins, the total win from Free Spins is added to any wins from the round that activated Free Spins.
- At the end of Free Spins, the game returns to the round that activated Free Spins.

MULTIPLE FEATURES
