

## Jungle Spirit: Call of the Wild Touch™ Game Rules

- Jungle Spirit: Call of the Wild Touch™ is a 243-bet way, 5-reel, 3-row video slot featuring Free Spins, a Symbol Expansion feature and a Butterfly Boost feature.
- The game is played with 243 ways to win and different bet values.
- In Free Spins the game turns into a 5-reel, 4-row video slot, thus increasing the bet ways up to 1024.
- There are no bet lines.
- The game can be played with cash or coins.
- Bet is the number of coins or cash bet per spin.
- When playing with cash, **BALANCE** displays the amount of cash available to wager.
- When playing with coins, **COINS** displays the amount of coins available to bet.
- A bet way win in coins is equal to the value shown in the **PAYTABLE** multiplied by the bet level.
- A bet way win in currency is equal to the win in coins multiplied by the coin value.
- **AUTOPLAY** automatically plays the game for the selected number of rounds.
- Winning combinations and payouts are made according to the Paytable.
- Matching symbols in any position on three or more adjacent reels, starting from the leftmost reel to the rightmost reel, is a bet way win.
- Bet way wins pay if in succession from leftmost reel to right.
- Only the longest matching combination per symbol is paid.
- More bet way wins are created when additional instances of the symbol appear on the same reels that create the longest bet way win.
- It is possible to win on a Scatter symbol and a symbol at the same time, otherwise it is possible to win on 1 symbol only.

### Example of a Way to Win payout at level 1

- 3 matching Tiger symbols on adjacent reels starting from the leftmost reel award 50 coins. This is multiplied by 2 (for 2 Tiger symbols on reel 3), giving a total win of  $2 \times 50 = 100$ .

### Symbol Expansion Feature

- Each symbol in the game, except for the Scatter symbol, may be marked by butterflies.
- Whenever such a symbol takes part in a winning combination in both the main game or Free Spins, it expands to cover the entire reel.

### Butterfly Boost Feature

- The Butterfly Boost feature is activated randomly in the main game during a win situation, when there are no Scatter symbols or symbols marked by butterflies on the reels.
- The butterflies fly around the reels and will expand 1 to 3 symbols that take part in a guaranteed winning combination. The expanded symbol will cover the entire reel.
- Butterfly Boost feature wins are added to any bet way wins.

## Free Spins

- 3 to 5 Scatter symbols appearing anywhere on the reels in the main game activate Free Spins.
- Additional Free Spins cannot be won during Free Spins.
- If Free Spins are activated with either 4 or 5 Scatter symbols, the player receives an award that equals 15 or 50 times the bet respectively.
- On entering the Free Spins, the player chooses 1 out of 5 Free Spins animals.
- Each animal represents a dominant medium win symbol, meaning that only this of all medium win symbol is present on the reels.
- The Tiger awards the player 4 Free Spins, the Elephant - 8 Free Spins, the Bear - 12 Free Spins, the Crocodile - 16 Free Spins, the Cobra - 20 Free Spins.
- Options with fewer Free Spins have higher risk, but come with a higher win potential.
- At the end of Free Spins, the total win from Free Spins is added to any wins from the round that activated Free Spins (including the award, if any).
- At the end of Free Spins, the game returns to the round that activated Free Spins.
- Free Spins are played at the same bet as the round that activated Free Spins.
