When Super Expanding wild symbol lands on Reel 3, it will make entire Reel 3 wild and expand Reels 2, 3, 4 to 4 high making the game 576 way.

At the end of any spin, randomly Fiery Kirin will run across the reels and will award one of the 4 features: (i) Wild Reel, (ii) Random Wilds, (iii) Magical Win, (iv) Free Spin bonus

Wild Reel: Kirin will make any one of Reels 2, 3 or 4 wild and 4 high. All pays are evaluated after the wild reel feature is completed.

Random Wilds: Kirin will drop wild symbols on the reels randomly. All pays are evaluated after the Random Wilds feature is completed.

Magical Win: At the end of a losing spin, Kirin will re-spin all reels and award a big win to the player. Please note that this is a purely show feature only. i.e. If the player was going to get a

big win, instead of showing that win directly, display a random losing result and then have Kirin come and re-spin to award the original win. On an average, this feature should occur 1 out of 3 Big wins or more in base game only.

Free Spin bonus: On a random spin, Kirin may come on screen and award Free Spin Bonus directly to the player. Please note that this feature can trigger in combination with Super Expanding Wild feature or natural free spin bonus win with 3 scatters. If it happens on a spin where player has won the free spin bonus with 3 scatters, player will play the natural free spin bonus first and at the end of that bonus, Kirin will award the second free spin bonus and player can again select the specific free spin type.
