Information

Payline wins occur on the number of selected paylines, according to the information in the paytable and game rules. When winning on multiple paylines in a single game round, all winnings are added together. All winnings from Features (such as Free Spins), Bonus Games and/or Scatters (if applicable) are also added to payline wins. All winning combinations are paid out at the end of a game round. Free Spin features are played with the same bet and same number of selected lines as the game round that triggered the feature – unless otherwise stated. The bet cannot be changed during a currently running game round. Please refer to the game rules for more information. All wins pay left to right, beginning with the left-most reel. Symbol wins pay for any winning payline combination without any gaps. Only the highest win is paid per active win line.

Game Rules

Boat Bonanza CrocoNile! is a 5-Reel Video Game with 12-Fixed Paylines. All wins pay left to right on adjacent reels. Winning combinations begin with the left-most reel. Only highest win paid per selected line.

Wilds may appear on all reels and substitutes for all symbols except Croc Coins. Wilds are now Paying Symbols.

Catch Symbols may appear on all reels. Any Catch Symbols combination can form a line win. Catch Symbols are Paying Symbols but may reward Instant Prize when triggered with Catch Feature, Depth Charge, Spear Shot, and Sobek's Rage. The Instant Prize awarded is the value indicated in each Catch Symbols. The values can range from X0.5, X1, X2, X5, X10, and X50 of Total Bet.

Up to 2 boats can become active each spin. Catch Feature is triggered when Catch Symbols landed under an active boat. Collected Catch Symbols are awarded as Instant Prize.

There is a chance to trigger Depth Charge when the blue boat is active. The blue boat drops an explosive and collects a random Catch Symbol under reel as Instant Prize.

There is a chance to trigger Spear Shot when the red boat is active. The red boat aims at one of the available Catch Symbols in the reels to shoot and collect it as Instant Prize.

There is a chance to trigger Croc Carnage which upgrade each Catch Symbols before Catch Feature is triggered. When upgraded, a Catch Symbol may upgrade to 1 level higher. Catch Symbols that are already at maximum value cannot be upgraded. Croc Carnage can only trigger if there's one boat active.

Landing 3 or 4 Croc Coins will trigger Croc'N Spin Re-spin. All Croc Coins will be sticky during the Re-spin giving another chance to land up to 5.

Sobek's Rage triggers when 5 Croc Coins landed in the reel. It starts with 5 Re-spins, only Catch Symbols and Croc Coins can land during Sobek's Rage. Any Catch Symbols and Croc Coins that landed will become sticky. Land 1 or more Croc Coins to get 1 extra Re-spin. Once all Re-spins are used, each Croc Coins will reveal a Multiplier of X2, X3, X4, X5, X10, or X25. All the Catch Symbols will be collected after multiplying its value by the sum of all Multipliers revealed from the Croc Coins.
