WILD TRAIN FEATURE

- When the full Santa's Sleigh symbol (3 symbols total) appears together with at least 1 Gift on the reels, the Wild Train Feature is initiated.
- After winning combinations are awarded, the Santa's Sleigh will move one position at a time to overlap with any Gifts or Empty Snow Globes. All symbols comprising the Santa's Sleigh will follow along the same path in order to remain in consecutive adjacent positions on the reels. When the head of the Santa's Sleigh reaches and overlaps with a Gift or a Empty Snow Globe, that symbol is collected. This process repeats until all Gifts and Empty Snow Globes have been collected.
- Each Gift collected increases the number of positions covered by the Santa's Sleigh. Additional Santa's Sleigh body symbols are added or removed as necessary during the movement so that the total number of positions covered by Santa's Sleigh symbols will always be equal to 3 + the total number of Gifts collected during the feature.
- Each Empty Snow Globe collected places 3 to 7 Hats in random positions on the reels not occupied by the Santa's Sleigh during the next respin or free game.
- After all Gifts and Empty Snow Globes have been collected a free respin is awarded. All Santa's Sleigh symbols remain locked in their current positions on the reels during each respin. Respins are played on different reels. Respins continue until the Free Games Bonus is triggered or until there is a respin where no Gift or Empty Snow Globes were collected.
- The Santa's Sleigh symbols and Empty Snow Globes are wild and substitute for all symbols except each other.
- The Santa's Sleigh symbols, and Empty Snow Globes do not substitute for Gift for purposes of the Wild Train Feature.
- Empty Snow Globes do not appear on the reels during the base game.
- Empty Snow Globes appear on reels 1, 2, 3, and 4 during respins.
- Empty Snow Globes appear on reels 1, 2, and 3 during the Free Games Bonus.
- The Santa's Sleigh symbols appear only on reel 5 during the base game.
- The Santa's Sleigh symbols do not appear on the reels during respins or the Free Games Bonus.
