ARABIAN DESERTS FEATURE

During paid games, any 6 or more< TREASURE SYMBOL> trigger the Arabian Deserts Feature.

At the beginning of the Arabian Deserts Feature, player will be instructed to arrange the triggered

in the order of their choice, or press RANDOM to randomly assign the order.

The order assigned will be populated in a queue on the map.

If one or more line wins are available during that spin, the total line win amount will be multiplied by

the corresponding multiplier displayed on the map.

appears on reels 2, 3 and 4 only.

Once a multiplier has been used, it will be greyed out from the map.

Any appearing will add to the queue on the map.

Arabian Deserts Feature is completed when all multipliers have been used up.

Bet multiplier and lines played are the same as the game that triggered the feature.

Reel strips during the Arabian Deserts Feature are different to reel strips during Paid Games.
