

Dragon's Rhythm™ Link&Win™

About this Game

This is a 5 reel 4 row video slot game.

The objective of the game is to spin the reels so the symbols land in different combinations.

Winning combinations are highlighted on the reels and a payout is awarded.

Bet Rules

Each spin played costs a total bet amount.

Total Bet: Sets the current bet value.

The total bet is based on the initial bet placed, multiplied by the cost of the ways played.

The initial bet is the current total bet divided by the way cost of 20.

Way Rules

This game includes 1024 ways.

A way is a pattern of adjacent symbol positions that runs across the reels.

A win is awarded when matching symbols land adjacent to each other in this pattern.

Way wins run from left to right, starting from the first slot reel.

Payout Rules

Way win payouts are based on the initial bet placed.

Wins are multiplied by the total bet.

The payout value is based on the winning combination formed.

The total payout is the sum of all way wins resulting from a spin.

Only the highest winning combination is awarded per symbol combination.

The win up to value displayed is rounded down, and is approximately the highest possible win achievable on a single spin.

The Paytable displays the payout for each symbol combination based on the current bet.

If multiple winning combinations land on a single way, only the highest win is awarded.

Wild Symbols

Wild symbols can substitute for other symbols to complete winning combinations.

Wild symbols can substitute for all symbols except Scatters and Bonus symbols.

Scatter Symbols

This symbol does not have a payout.

This symbol appears on reels 1, 3, and 5 only.

Free Spins

3 Scatter symbols on reels 1, 3, and 5 trigger the Free Spins wheel.

The wheel will spin once and award a single wedge containing a number of spins.

10-30 Free Spins are awarded.

The results of the wheel spin may be gambled to potentially win a greater number of Free Spins.

If the gamble is won, the result of the spin may be gambled again.

If the gamble is lost, the Mystery Wheel may be spun to win an instant prize.

The Mystery Wheel then awards one of the following prizes: 10, 15, 20, 25, 30, 35, 40, 45, 50, or 100 times total bet.

The gamble feature may not be available in this game.

3 Scatter symbols on reels 1, 3, and 5 retrigger Free Spins.

All bets played are the same as the spin that triggered this feature.

All ways played are the same as the spin that triggered this feature.

Free Spins play out automatically.

Bonus Feature

6 Bonus symbols anywhere on the reels trigger this feature.

Bonus wins are multiplied by the total bet.

This feature can randomly trigger on any spin.

This feature can trigger in base game and Free Spins.

Wins awarded during the feature are added to base game wins.

Bonus symbols can award Jackpots and cash prizes.

Link&Win™ Feature

Land 6 or more bonus symbols anywhere on the reels to trigger the Link&Win™ feature.

All symbols are removed from the reels except bonus symbols, which lock into place when they land.

3 respins are awarded.

Bonus symbols with cash values are sticky.

Upgrade symbols are not sticky.

Every time a sticky bonus symbol lands, the respin count resets to 3.

Link&Win™ ends when the count runs out or the reels are full of bonus symbols.

Filling the reels with bonus symbols awards an Epic Jackpot.

Landing a Multiplier Upgrade instantly multiplies all on-screen cash values by up to 10x their original value.

Landing a Jackpot Upgrade increases the value of all jackpots by 1 tier.
