

## HOTLINE 2 TOUCH™

- Hotline 2 Touch™ is a 5-reel, 3-row video slot featuring Expanding Wild symbols, the Hotline feature, Free Spins with expanding reels, and the Buy Feature.
- There are no bet lines.
- Matching symbols in any position on three or more adjacent reels, starting from the leftmost reel to the rightmost reel, result in a bet way win.
- Bet way wins pay if in succession from the leftmost reel to the rightmost reel.
- Example as follows:

- More bet way wins are created when additional instances of the symbol appear on the same reels that create the longest bet way win.
- The number of bet ways is equal to the heights of all reels multiplied.
- Example as follows:

$$3 \times 5 \times 4 \times 6 \times 3 = 1080$$

- A bet way win is equal to the value shown in the Paytable.
- Only the longest matching combination per symbol is paid.
- Simultaneous wins on different bet ways are added.
- Winning combinations and payouts are made according to the Paytable.
- Symbol payout values shown in the Paytable are dynamic and change in accordance with the selected bet value.

### Hotline Feature

- The Hotline feature is a Bonus Bet feature that increases the chance to win Expanding Wild symbols for a higher bet.
- The game is played with the Base Bet and two Bonus Bet levels: the Double Bet and the Triple Bet.
- At Base Bet, reel 3 is a Hotline.
- When the Double Bet is activated, reels 3 and 4 are Hotlines, and the bet is doubled.
- When the Triple Bet is activated, reels 2, 3 and 4 are Hotlines, and the bet is tripled.

### Wild and Expanding Wild

- Wild symbols can appear on reels 2, 3 and 4 in the main game and Free Spins and substitute for all symbols except for Scatter symbols.
- In the main game, a Wild symbol landing on a Hotline expands to cover the entire reel if resulting in a bet way win.
- In Free Spins, a Wild symbol landing on a Hotline always expands to cover the entire reel.
- Wild and Expanding Wild symbol substitution pays the highest possible winning combination on a bet way according to the Paytable.

### Free Spins and Reel Expansion

- 3 Scatter symbols appearing on reels 2, 3 and 4 in the main game activate 7 Free Spins.

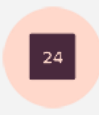

- In Free Spins, a Wild symbol landing on reel 2, 3 or 4 increases the height of this reel by 1 symbol creating more bet ways.
- The number of bet ways in Free Spins starts at 243 and can reach up to 1944 when the height of reels 2, 3 and 4 increases.
- A Wild symbol landing on a Hotline expands after the reel height is increased and before the wins are evaluated.
- The maximum reel height is 6 symbols.
- A non-Hotline reel reaching its maximum height awards 1 additional Free Spin.
- A Hotline reaching its maximum height awards 2 additional Free Spins.
- Free Spins are played at the same bet and with the same Hotlines as the round that activated Free Spins.
- At the end of Free Spins, the total win from Free Spins is added to any wins from the round that activated Free Spins.
- At the end of Free Spins, the game returns to the round that activated Free Spins.

### Buy Feature

- Free Spins can be activated with the Buy Feature (not offered by all operators).
- Free Spins can be activated with the Base Bet, the Double Bet or the Triple Bet and the respective number of Hotlines.
- Activating Free Spins with the Base Bet, the Double Bet or the Triple Bet costs 60 times the respective bet.
- When Free Spins are activated with the Buy Feature, one free main game spin that is guaranteed to activate Free Spins is played.

### Game Functions

- The table below lists the different buttons found in the game and describes their functions.

Main Game	
	<p><b>Spin Button</b></p> <p>Tap to start playing at the current bet value.</p>
