

## **CLONING SHEEP**

### **GAME DETAILS**

Type	Slot
Reels	5
Rows	3
Paylines	20

### **FEATURES DESCRIPTION**

#### **SUPER STACKED SYMBOLS**

The high-paying symbols can land as 2x2 Super Stacked ones, and during Free Spins, a single high-paying symbol can land as a 3x3 Super Stacked one.

#### **CRAZY SHEEP FEATURES**

Every time a Sheep Wild lands on the bottom of a reel, one of the following 3 features is triggered at random: Perfect Cloning, Crazy Super Sheep, Crazy Reaction. New Sheep Wilds created during the features do not re-trigger a new feature.

##### **► PERFECT CLONING**

The Sheep symbol starts spreading out DNA, which makes it clone and cover the whole reel in Crazy Sheep.

##### **► CRAZY SUPER SHEEP**

The Sheep symbol expands into a 2x2 Crazy Super Sheep in a random direction. During Free Spins, it grows into a 3x3 Crazy Super Sheep.

##### **► CRAZY REACTION**

The Sheep symbol spreads out DNA, which hits at random between 2 and 5 symbols on the reels and turns them into new Crazy Sheep.

#### **SHEEP'S REEL NUDGE**

If a Sheep symbol lands on the top or middle row, it can randomly trigger a nudge down of the reel to move the Sheep to the bottom row. The started Sheep Feature always wins.

#### **FREE SPINS BONUS**

Three Alien scatters on reels 2, 3 and 4 award instantly 7 Free Spins. Then 1 of 3 Alien scatters at random expands into a 3x3 Mystery Scatter to cover the whole reel and the connected ones. The Mystery Scatter randomly pre-selects one 3x3 Super Stacked high-paying game symbol, which starts spinning on the same reels for the entire bonus.

## **HOW TO PLAY**

Adjust your total stake and spin the reels!

The reels will spin and stop on a random position.
