Unfinished Games

If your game round is disrupted, all game information and placed bets are stored until you re-open the game. You may continue your unfinished round from the point of interruption. Unresolved bets placed but remaining undecided in incomplete games will become void after 30 days. Malfunction voids all pays and plays.

Information

Payline wins occur on the number of selected paylines, according to the information in the paytable and game rules. When winning on multiple paylines in a single game round, all winnings are added together. All winnings from Features (such as Free Spins), Bonus Games and/or Scatters (if applicable) are also added to payline wins. All winning combinations are paid out at the end of a game round. Free Spin features are played with the same bet and same number of selected lines as the game round that triggered the feature – unless otherwise stated. The bet cannot be changed during a currently running game round. Please refer to the game rules for more information. All wins pay left to right, beginning with the left-most reel. Symbol wins pay for any winning payline combination without any gaps. Only the highest win is paid per active win line.

Game Rules

Highway Legends is a 5-reel video slot with 20 fixed paylines.

DELIVER FEATURE

Landing a Deliver symbol on reel 5 will award any Cash Bag symbols landing on reels 1,2,3 and 4. It is possible to land a Deliver symbol without any Cash Bag symbols. The Deliver Feature is only available in the base game and not in Free Spins. The Deliver symbol is only available on reel 5.

Cash Bag symbols contain the following multipliers 2x, 3x, 4x, 5x, 6x, 8x, 10x, 15x, 25x, 30x and multiply total bet.

FREE SPINS TRIGGER

Free Spins is triggered by landing Scatter symbols on reels 1, 3 and 5 in the base game.

ROBBER FREE SPINS TRIGGER

During any base game spin where only 2 Scatters land on reels 1 and 3, there is a chance the 5th reel will Re-Spin and land a Scatter, triggering the Free Spins feature.

FREE SPINS FEATURES

When a Free Spins feature has been triggered, at the start of Free Spins the player has the choice of two Free Spins games. One option must be selected. The options are: STACKED WILD HOLD UP FREE SPINS that awards 10 Free Spins; ROAMING RIDER WILDS FREE SPINS that awards 10 Free Spins. During any of the Free Spins Features, Free Spins cannot be re-triggered.

Both Free Spins features pay the same average win.

ROAMING RIDER WILDS FREE SPINS

Any Wilds that land, will hold over for the next spin. Any Wilds that hold over can move to a random position before the reels stop. Up to 13 Wilds are available. Any Wilds from the triggering spin won't hold over.

STACKED WILD HOLD UP FREE SPINS

Stacked Wilds can add to one or more reels up to a maximum of five during a spin. Any stacked Wilds will spin off on the next spin. A stacked Wild represents 3 individual Wilds.

Bets are selected using the bet buttons. Click the plus and minus buttons to change the bet one step at a time. To start the round, click SPIN. When the reels stop, the symbols displayed determine your prize according to the paytable.

Any combination of wins resulting from a single game cycle, including the results of any possible triggered bonuses, is capped at a maximum of 1250 times total bet.
