MYSTERY FEATURE

Each reel contains a stack of mystery positions which are replaced by a game symbol during each reel spin.

All symbols including wild and bonus symbol can be mystery stacked.

REEL COPY FEATURE

On any spin, if reel 1 contains a full stack of the same symbol, the same full stack will be copied to 1, 2, 3 or 4 remaining reels.

All wins are evaluated after the reel copy feature is completed.

This feature occurs in both base game and free spins.

FREE SPIN BONUS

5, 4 or 3 bonus symbol on any payline award 8, 6 or 5 free spins respectively.

If multiple pay lines contain winning combinations of bonus symbols, then all awarded free spins are added together. Player can win upto 200 free spins.

If the number of free spins awarded are 10 or more, player is offered 3 options to choose from:

- Regular free spins
- Easy feature free spins
- 50 lines free spins

If the number of free spins awarded are 30 or more, player is offered 5 options to choose from:

- Regular free spins
- Easy feature free spins
- 50 lines free spins
- Super free spins
- Mega free spins

REGULAR FREE SPINS

Player can play the same number of awarded free spins.

50 LINES FREE SPINS

Player can play 1/2 of the number of awarded free spins as 50 lines free spins which is the nearest possible whole number of regular free spins. These free spins are played with 50 lines. Any remaining free spins are played as regular free spins.

EASY FEATURE FREE SPINS

Player can play 1/2 of the number of awarded free spins as easy feature free spins which is the nearest possible whole number of regular free spins. During easy feature free spins, reel copy feature occurs with a higher frequency. Any remaining free spins are played as regular free spins.

SUPER FREE SPINS

Player can play 1/3rd of the number of awarded free spins as super free spins which is the nearest possible whole number of regular free spins. During super free spins, all wins are multiplied by 3. Any remaining free spins are played as regular free spins.

MEGA FREE SPINS

Player can play 1/5th of the number of awarded free spins as mega free spins which is the nearest possible whole number of regular free spins. During mega free spins, all wins are multiplied by 5. Any remaining free spins are played as regular free spins.

Free spin bonus cannot be re-triggered. If player is awarded any regular free spins with other free spins then regular free spins are always played first.

GENERAL RULES

Game has fixed 25 paylines.

Only highest win paid per selected line.

Winning combinations start from the leftmost reel and the symbols have to be consecutive

along a
payline except bonus which pays any.

Free spins bonus will only be triggered when the bonus symbols appear consecutively on an active payline, starting with the left most reel.

Free spin wins are added to payline wins.

Wins on multiple paylines are added.

Bonus wins are addedd to payline wins.

The theoretical percentage RETURN OT PLAYER IS 96.062%.

Malfunction voids all pays and plays.
