Information

Payline wins occur on the number of selected paylines, according to the information in the paytable and game rules. When winning on multiple paylines in a single game round, all winnings are added together. All winnings from Features (such as Free Spins), Bonus Games and/or Scatters (if applicable) are also added to payline wins. All winning combinations are paid out at the end of a game round. Free Spin features are played with the same bet and same number of selected lines as the game round that triggered the feature – unless otherwise stated. The bet cannot be changed during a currently running game round. Please refer to the game rules for more information. All wins pay left to right, beginning with the left-most reel. Symbol wins pay for any winning payline combination without any gaps. Only the highest win is paid per active win line.

Game Rules

Boat Bonanza Colossal Catch is a 5-Reel Video Slot with 12-fixed paylines.

There are two Boats above the reels. On any spin they can both activate. If Catch Symbols land on the reel below an active Boat, their values are collected and added to the total win. When both active Boats are above the same reel, Colossal Catch feature is triggered. All Catch Symbols across all five reels are collected and added to the total win. Maximum single Catch Symbol prize is 50x total bet amount.

Landing 3 or more Scatter symbols triggers 10 Free Spins. Additional Scatters pay. During Free Spins both Boats are active on every spin. Catch Symbols underneath the active Boats are collected and their values added to the total win. If both Boats are above the same reel, Colossal Catch feature is triggered and all Catch Symbols across all five reels are collected and added to the total win.

An additional Catch Symbol is available in Free Spins. The Swordfish when collected by an active Boat will increase the level of the Colossal Catch Multiplier. This Multiplier will apply to all Colossal Catch wins during Free Spins. Collecting 3 Swordfish will increase the Colossal Catch Multiplier to x2 and add 8 more Free Spins to the total. Collecting 3 more Swordfish will increase the Colossal Catch Multiplier to x5 and add 6 more Free Spins to the total. Collecting 3 more Swordfish will increase the Colossal Catch Multiplier to x10 and add 4 more Free Spins to the total. Collecting 3 more Swordfish will increase the Colossal Catch Multiplier to x25 and add 2 more Free Spins to the total. The maximum total number of Free Spins is 30. The maximum Colossal Catch Multiplier is x25.
