Re-entry is allowed until the end of level 8.  
 Players must accumulate REQUIRED amount of chips to win a seat.  
 Once a player has accumulated REQUIRED amount of chips, these chips will be removed from play and the player will be awarded a seat.  
 If the player has more than REQUIRED amount of chips the player will continue playing with the remainder under the same rules and game format.  
 First qualifying seat must be played on the target event.  
 A regular qualifier structure will be in play with blinds increasing.  
 Exceptions are made for any player who already has an entry to the target event.

Players are playing for a seat into the target tournament, not cash.  
 We will not be able to offer cash under any circumstances. Examples (not limited to) players feeling sick, last minute work commitments, booked flights that may leave before the tournament ends, unexpected personal issues.  
 All players are expected to understand the risks of playing qualifier events and accept the above conditions before deciding to play.  
 Tickets are non-transferable.  
 Exceptions are made for any player who already has an entry to the target event.
