

## Epic Joker

# Overview

**'Epic Joker'** is a 3x3, 5 pay lines slot game. It features a base game, a super mode, triggered by getting a full screen of one symbol; and a joker re-spin, triggered from super mode, by getting a full stack of jokers on at least one reel.

## Game Rules

- **"Epic Joker"** is a 3 reels, 3 rows slot machine with 5 pay lines. The game is always played with all 5 pay lines active.
- Winning combinations and payouts are made according to the payable.
- Only the highest paying combination for each payline is paid
- Wins are evaluated consecutively on a payline, starting from leftmost reel
- Wins on multiple paylines are added.
- Once a spin has been initiated the bet size for that round is locked and cannot be changed.
- Winnings get presented in the user's currency.
- The joker symbol substitutes for all symbols on the reels for pay line wins.
- The theoretical RTP (return to player) in this game is 97.00%
- Malfunction voids all pays and plays
- Incomplete games will be automatically resolved after 2 days. Any winnings resulting from automatic resolve shall be paid to player's account.
- If the same symbol appears on all 9 positions in the base game, SUPER MODE is triggered, awarding 5 SUPER MODE spins.
- If the same symbol (excluding joker) appears on all 9 positions in SUPER MODE, SUPER MODE is re-triggered with an additional 5 free spins.
- If one or two full joker stacks appear on any of the reels, the joker stacks stick and the player is awarded one JOKER RE-SPIN. Should a second joker stack appear during the JOKER RE-SPIN, both joker stacks stick and a second JOKER RE-SPIN is awarded.
- A third joker stack will not grant further JOKER RE-SPINs, but will instead award 500 x bet, according to the payable.
- The joker symbol only occurs on the SUPER MODE and JOKER RE-SPIN reels.

## Game Symbols

The game has the following symbols:

**High:**

**Low:**

**Joker** / This symbol substitutes for all symbols for pay line wins.

## SUPER MODE

SUPER MODE is triggered by landing the same symbol in all 9 positions, and awards 5 free spins.

SUPER MODE is re-triggered in the same way.

The joker symbol does not re-trigger SUPER MODE.

## JOKER RE-SPIN

One or two full stacks of jokers landing in any of the three columns awards one JOKER RE-SPIN, with the original joker stacks staying as overlays.

A second joker stack landing during the JOKER RE-SPIN, will award an additional JOKER RE-SPIN.

## How to play

Select a bet size by pressing the + and - buttons next to the bet amount. Then press the Spin button to begin. To use autoplay, press the Autoplay button and select the desired number of rounds. You can interrupt autoplay at any time by pressing the Autoplay button again. While playing, you can always see how many autoplay spins you have left.

To make sure the game will continue when on autoplay, the game will click to continue for you automatically after a set amount of time. This can be turned off in the setting menu.

Press the "Home" icon to exit game.
