#### WILD TRAIN FEATURE

- When Dragon Head symbol, Dragon Body symbol, and Dragon Tail symbol, appear together with Coin Tree on the reels, the Wild Train Feature is initiated.
- After winning combinations are awarded, Dragon Head symbols will move one position at a time to overlap with any Coin Tree or Triple Coin Symbols. As Dragon Head symbols move, any Dragon Body symbols and Dragon Tail symbols will follow it along the same path in order to remain in consecutive adjacent positions on the reels. When Dragon Head symbols reach and overlaps with a Coin Tree or Triple Coin Symbol, that symbol is collected. This process repeats until all Coin Tree and Triple Coin Symbols have been collected.
- Each Coin Tree collected increases the number of positions covered by Dragon Body symbols. Additional Dragon Body symbols are added or removed as necessary during the movement so that the total number of positions covered by Dragon Head symbol, Dragon Body symbol, and Dragon Tail symbol will always be equal to 3 + the total number of Coin Tree collected during the feature.
- After all Coin Tree and Triple Coin Symbols have been collected a free respin is awarded. All Dragon Head symbols, Dragon Body symbols, and Dragon Tail symbols remain locked in their current positions on the reels during each respin. Respins are played on different reels. Respins continue until the Free Games Bonus is triggered or until there is a respin where no Coin Tree or Triple Coin Symbols were collected.
- Dragon Head symbols, Dragon Body symbols, and Dragon Tail symbols and Triple Coin Symbols are wild and substitute for all symbols except Dragon Head symbol, Dragon Body symbol, Dragon Tail symbol, and Triple Coin Symbols.
