

Thunder Power

Thunder Power

Game Rules

GAME DESCRIPTION

The game "Thunder Power" is based on a Greek mythology theme. The base game is a cascade game. Each cascade fills a progress bar meter for that spin. Four or more cascades will win the Lightning Bonus Feature. The more cascades won, the larger the available jackpot prizes that can be won during the feature. During the Lightning Bonus, there are four reel windows. Collecting a special icon in a live window will open a new live window.

The Thunder Lottery Free Spins feature is won with six or more [Ball] Bonus Symbols.

This game has five reels, three rows, and 50 fixed paylines.
