## **BIG BET GAME**

A Big Bet game consists of 5 linked spins of the reels.

All wins are accumulative and are paid at the end of the last spin.

Each spin uses all win lines and wins are paid according to the awards table.

It is possible to trigger Free Spins during every Big Bet game.

## **GAME RULES**

All line pay symbols must appear on a played line and on consecutive reels, beginning with the far left reel.

Only the highest win is paid on each line played.

All line wins are multiplied by the stake per line.

Wins that occur on all selected lines are added to the total win.

Scatter wins are awarded for symbols appearing in any position on the reels for any number of played lines and paid in addition to line wins.

Malfunction voids all pays and plays.
