## Gift of Life Re-Spins & Gift of Double Wilds

- In the main game and Free Spins, one or more Wild symbols landing on the reels activate Gift of Life Re-Spins after the wins are evaluated.

- After each Gift of Life Re-Spin the wins are evaluated.
- If during the Gift of Life Re-Spins more Wild symbols appear on the reels, Gift of Life Re-Spins are re-activated.
- When the last Wild symbol disappears from the reels, the reels re-spin one more time. If during this Gift of Life Re-Spin no more Wild symbols appear on the reels, the Gift of Life Re-Spins end.
- Gift of Life Re-Spins are played at the same bet level and coin value as the round that activated the Gift of Life Re-Spins.

- Gift of Life Re-Spins wins are added to any wins from the initial spin.

#### Gift of Double Wilds

- A Wild symbol landing behind another Wild symbol in the Gift of Life Re-Spins expands to cover the entire reel and re-activates the Gift of Life Re-Spins after the wins are evaluated.

#### Free Spins

- 3 or more Scatter symbols appearing anywhere on the reels in the main game or Gift of Life Re-Spins activate Free Spins.

3 Scatter symbols = 5 Free Spins

- Free Spins are played at the same bet level and coin value as the round that activated Free Spins.
- The Total Win field includes any wins during Free Spins added to any wins from the round that activated Free Spins.
- At the end of Free Spins, the game returns to the round that activated Free Spins.
- Additional Free Spins cannot be won during Free Spins.
- If Free Spins are activated during the Gift of Life Re-Spins, Free Spins are played first, and then the Gift of Life Re-Spins continue.

#### Gift of Wealth Jackpot

- Bonus symbols can appear anywhere on the reels in the main game and the Gift of Life Re-Spins.
- 3 or more Bonus symbols collected during the main game and Gift of Life Re-Spins activate the Gift of Wealth Jackpot after the Gift of Life Re-Spins end and the wins are evaluated.
- Gift of Wealth Jackpot is not played automatically.
- Gift of Wealth Jackpot is a 5-reel, 3-row game with each position being a separate reel.
- At the start of the Gift of Wealth Jackpot all collected Bonus symbols are randomly placed on the reels.
- Gift of Wealth Jackpot starts with 3 spins. One or more Bonus symbols landing on the reels during a Gift of Wealth Jackpot spin reset the number of Gift of Wealth Jackpot spins to 3.
- Bonus symbols landing on the reels remain on the reels until the end of the Gift of Wealth Jackpot.
- Each Bonus symbol has a random coin value of 10-200 times the bet level.
- When no more spins remain, the Gift of Wealth Jackpot ends and the wins are evaluated.
- One of three Jackpots can be won in the Gift of Wealth Jackpot:

- The Minor Jackpot is awarded if one row is completely filled with Bonus symbols. The Minor Jackpot is fixed and awards 20 times the bet of the round that activated the Gift of Wealth Jackpot.
- The Major Jackpot is awarded if two rows are completely filled with Bonus symbols. The Major Jackpot is fixed and awards 100 times the bet of the round that activated the Gift of Wealth Jackpot.
- The Mega Jackpot is awarded if three rows are completely filled with Bonus symbols. The Mega Jackpot is progressive.
- The Total Win field includes any wins during the Gift of Wealth Jackpot added to any wins from the round that activated the Gift of Wealth Jackpot.
- The total win from the Gift of Wealth Jackpot in currency is equal to the win in coins multiplied by the coin value.
- At the end of the Gift of Wealth Jackpot, the game returns to the round that activated the Gift of Wealth Jackpot.

## Jackpot Rules

- The Mega Jackpot is a progressive jackpot, where every time the game is played by a player a portion of the bet is added to the Mega Jackpot.
- Progressive Jackpot wins are subject to verification by the Operator and the Software Supplier. All decisions are final and no correspondence will be entered into.
- Jackpot values displayed in the game are delayed by up to 30 seconds. On exceptionally rare occasions, it may happen that two jackpots are won within those 30 seconds, in which case the win of the second jackpot is the new re-seeded jackpot. All players playing the game when a jackpot is won will receive a notification within 30 seconds about the jackpot amount being won.
- When one game round makes a claim for a certain jackpot, it is locked for that game round and simultaneously assured that no other game round can claim the same jackpot. Therefore, it is technically not possible to have two simultaneous wins of the same jackpot.
- If the communication between the Operator and Jackpot server fails, the game becomes unavailable. There will be no contributions or claims towards the Jackpot. The Jackpot amount remains the same until the communication is resumed.
- The Progressive Jackpot amount paid out is the Progressive Jackpot value on the operator's server when a jackpot is won. Every effort is made to ensure that the Progressive Jackpot value displayed in the game is the same as the one on the operator's server.
- The Jackpot counter might be displayed in a currency other than that you are playing in. If you win a Jackpot and are playing with a different currency, the amount won is converted to the currency in which you are playing and is added to your account.
- Mercy of the Gods™ contains Minor, Major and Mega Jackpots. The following contributions are made from each bet:
  - 3.7% of the bet is contributed to the MEGA Jackpot. 20% of the contributions are set aside for the next Jackpot.
  - The current Jackpot amount for each type of Jackpot is displayed at the top of the game.
  - The Jackpot cannot be won when **PLAYING FOR FUN**.
  - There is no upper limit on progressive jackpot values.
