Forest Treasure Feature

- In the main game, there is an Activation Zone covering the middle row.
- In Free Spins, the Activation Zone covers all three rows.
- Two or more Wild symbols appearing horizontally adjacent to one another in the Activation Zone activate the Forest Treasure feature.
- In the Forest Treasure feature, each of the regular Wild symbols activating the Forest Treasure feature transforms into one of four Walking Wild symbols: a Walking Wild, an Expanding Walking Wild, an x2 Walking Wild, or a Scatter Walking Wild.
- A regular Wild symbol landing in the Activation Zone next to any Walking Wild symbol also activates the Forest Treasure feature and transforms into one of the Walking Wild symbols.
- Horizontally adjacent Wild symbols appearing on the reels as the result of the Forest Treasure feature activation do not transform into Walking Wild symbols.
- Whenever you change your bet in cash or coins, all Walking Wild symbols are saved with the bet value and disappear from the reels. Whenever you change your bet back, all Walking Wild symbols are restored on the reels together with the bet value.

- All wins are evaluated after the Forest Treasure feature is activated.

Wild and Walking Wild Symbols

- There are 5 types of Wild symbols in the game: a regular Wild, a Walking Wild, an Expanding Walking Wild, an x2 Walking Wild and a Scatter Walking Wild.
- Regular Wild symbols can appear on any reel in the main game and in Free Spins.
- All Walking Wild symbols can appear only when the Forest Treasure feature is activated.
- All Walking Wild symbols move one reel to the left at the start of each spin.
- Expanding Walking Wild symbol transforms into a stack of Walking Wild symbols covering the entire reel.
- All bet line wins with an x2 Walking Wild symbol are multiplied by 2. If two or more x2 Walking Wild symbols appear on a winning bet line, the win is multiplied by 2 for each x2 Walking Wild symbol.
- Regular Wild, Walking Wild, Expanding Walking Wild and x2 Walking Wild symbols substitute for all symbols except for Scatter symbols and other Walking Wild symbols. Scatter Walking Wild symbols substitute for all symbols except for other Walking Wild symbols.
- Regular Wild, Walking Wild, Expanding Walking Wild, x2 Walking Wild and Scatter Walking Wild symbol substitution pays the highest possible winning combination on a bet line according to the Paytable.

Magic Wild Feature

- In the main game, when a stack of 3 Walking Wild symbols disappears from reel 1 and there are no Walking Wild symbols on the reels, the Magic Wild feature may be activated and the disappearing Walking Wild symbols may reappear on reel 5.
- In Free Spins, when any number of Walking Wild symbols disappear from reel 1 and there are no Walking Wild symbols on the reels, the Magic Wild feature may be activated and the disappearing Walking Wild symbols may reappear on reel 5.

Free Spins

- Regular Scatter symbols can appear on the top and bottom rows in the main game.
- 3 or more Scatter and/or Scatter Walking Wild symbols appearing anywhere on the reels in the main game activate Free Spins.
- 3 Scatter and/or Scatter Walking Wild symbols activating Free Spins award one Walking Wild symbol in the middle of reel 5 during the first Free Spin. Each additional Scatter symbol activating Free Spins awards one additional randomly placed Walking Wild or x2 Walking Wild symbol during the first Free Spin.
- In Free Spins, the Activation Zone covers all three rows.
- Two or more Wild symbols appearing horizontally adjacent to one another on any row in the Activation Zone activate the Forest Treasure feature.

- In Free Spins, Scatter Walking Wild symbols cannot be awarded in the Forest Treasure feature.
- In Free Spins, if an Expanding Walking Wild symbol appears on the same reel as an x2 Walking Wild symbol, the entire reel is covered with x2 Walking Wild symbols.
- Free Spins end when there are no Walking Wild symbols on the reels. The minimum number of Free Spins is 6.
- Free Spins are played at the same bet as the round that activated Free Spins.
- At the end of Free Spins, the total win from Free Spins is added to any wins from the round that activated Free Spins.
- At the end of Free Spins, the game returns to the main game. All Walking Wild symbols that were on the reels at the end of the round that activated Free Spins are restored.
- If Free Spins and the Forest Treasure feature are awarded at the same time, the Forest Treasure feature is activated first.
