Menu

Real Play

This option allows you to change from play for fun mode in to real money mode.

Pay table

Within the game menu, press the “i” icon to view pay table and game information.

Help

Within the game menu, the “?” icon opens the game’s help file.

Sound/Music

Use the sound option to mute or enable all game sounds. Where applicable, you can use the music option to turn off just the background music, while leaving other game sounds on.

Autoplay

To use autoplay, simply select the amount of spins you desire using the default options or enter your own amount via the pen icon.

Then choose a total loss limit and press the button to confirm and start the spins.

You may also use the “More settings” section to stop the autoplay when a bonus round is triggered or when a jackpot is won (where applicable).

Other

Please note, the performance of your network or devices (e.g. the speed of your connection or processor) may have, or may appear to have, an effect on the game such as in making decisions where speed is a factor or the update of progressive jackpot values.

If a bet has been placed and remains unsettled after 90 days, it will become void and be forfeited to charity.
