

5 Lion Festival™

BASIC GAME RULES

Minimum bet is 45 credits. All wins are shown in currency. Malfunction voids all pays and plays. A player cannot influence the result of a game by stopping the reel spins. Player is responsible for ensuring correct credits are registered before play. The game display does not indicate how close you were to winning, and cannot necessarily be used to determine your chances of winning or losing if you continue to play.

All pays shown are based on 45 credit bet. Only highest winner paid for each winning combination. Line pays occur on adjacent reels starting with the leftmost reel. All wins are added. 1st, 2nd, 4th and 5th reels contain a number of adjacent positions that are randomly replaced with symbols from the pay table except FIRECRACKER or GONG. All replacement positions are filled with the same symbol. Two symbols appear in each frame on reel 3. For each lit line passing through reel 3, the symbol in each frame are evaluated separately when part of a winning combination.
