Free Spins with Big Bounty™ Win

6 Scatters landing in base game will trigger Free Spins with a Big Bounty win.

Free Spins continue until any reel win matches or exceeds the starting Big Bounty win threshold, after which the game will end.

During Free Spins any reel win higher than the Big Bounty win threshold is a Big Bounty win.

The Big Bounty win threshold is a multiple of the triggering bet amount.

5 Scatters landing in base game increases the Big Bounty Win threshold by +2.5x.

A maximum of 50x Big Bounty win threshold can be accumulated until Free Spins is triggered.

The bonus guarantee is the current minimum total win that will occur in Free Spins. This value increases as the Big Bounty win threshold is increased.

Key symbols appear in Free Spins on top of cash prizes.

When Keys land they are collected, and will successively unlock reels 5, 4 and 3.

Unlocked reels allow jackpot prizes landing on them to be collected when a left-to-right chain of cash symbols lands adjacently.

When Keys are collected, the cash prize beneath will be revealed.

All bets played are the same as the spin that triggered this feature.

All ways played are the same as the spin that triggered this feature.

Wins awarded during the feature are added to base game wins.
