Event #5: Swap Hold'em

This game follows the same rules as Texas Hold'em, with one significant difference:

Before any player has the option to fold, they are allowed to swap one or both of their hole cards for new ones.

Players can make this swap once per hand, at any point during the hand (either pre-flop or post-flop), unless they are all-in.

Event #19 - Win The Button Turbo

The winner of the current hand will also be the one who gets the button on the next hand.

Event #21: Run It Twice - Turbo

At the beginning of the game, each player will be given three "Run It Twice" cards. Additionally, three more cards will be given to the players who make it to the final table.

These cards can only be used on a heads-up all-in situation.

The first player who goes all-in first will be asked if they want to use one of their Run It Twice cards.

If they choose not to, the other player will have the option to use one.

In case of an all-in situation, the pot will be divided into two, and two boards will be dealt.

The winner of the first board will receive half of the pot, and the winner of the second board will receive the other half.
