### **FEATURED EVENTS (CONTINUED)**

**Note:**

Players can enter more than one Day 1 to try and qualify for Day 2. Players must qualify to Day 2 to be in the money (approximately 15% of the field). Any players who have qualified more than once for Day 2 should bring their largest Day 1 stack and will receive minimum payout for the smallest stack. The blind level for Day 2 will roll back to the start of the level where the earliest Day 1 was completed. Seat re-draw on Day 2 and Final table, random table break on 4, 3 and 2 tables. All 9 handed during registration moving to 8 handed at latest start of Day 2 and breaking to a final table of 9. A shot clock will be implemented from the start of Day 2, each player will receive 4 (30 sec) time bank plus additional 4 (30 sec) time bank on Final Table. Scheduled breaks, including dinner breaks, are only a guideline and may be adjusted during the event

**PACE OF PLAY**

Players are required to make decisions within a reasonable timeframe. Players who are found to intentionally abuse time, deliberately stall, or purposely slow down the game's progression will be subjected to a 5-second shot clock for all subsequent decision-making. In all tournaments, including shot clock tournaments, we retain the right to limit the time any player has to make a decision.

**Transition to Hands-Per-Level at Final Table**

Upon reaching the final table the tournament will transition from a timed level structure to a hands-per-level structure. This means each level will consist of a predetermined number of hands rather than a fixed time duration.

After completing the set number of hands for each level, the blinds will increase according to the published blind structure.

The number of hands remaining for each level will be clearly visible on the clock.

The number of hands to be played will be announced at the final two tables.

**Event #6: Kickoff - ₱3M GTD**

The winner will receive an APPT Manila Package valued at ₱150,000, taken from the prize pool.

The Mystery Bounty prize pool will be calculated on a percentage (%) basis and announced after the registration closes.

Mystery Bounty prizes will be subject to the same payout rules as tournament prizes.

The Mystery Bounty prize amounts will be displayed on the Mystery Bounty section of the tournament clock.

Players who eliminate other players will collect the Mystery Bounty token from the eliminated player.

The Mystery Bounty token will be used to randomly draw a mystery bounty prize from the Mystery Bounty box.

As each prize is drawn, the prize will be removed from where it is published, so players will always know which prizes remain.

The player must show their tournament entry ticket and ID to draw their Mystery Bounty prize.

Players have the sole responsibility for their bounty token. Lost tokens will not be replaced. Tournament staff will make reasonable effort to assist but will not be liable.

Tournament staff will investigate any lost tokens to try and resolve the situation but there is no guarantee that lost tokens will be replaced

In the event of a deal where the play ends, each player will have their own bounty token to draw.

In the event of a deal where play continues, we will follow the same rules of elimination.

If multiple players eliminate another player with the same hand, the bounty token will be split.

Bounties must be redeemed before the conclusion of the bounty tournament.

**Event #22: Survivor Knockout (30min/20min) - ₱2M GTD**

The Top two (2) will each receive an APPT Manila Package valued at ₱150,000, deducted from the prize pool.

The third (3rd) to ninth (9th) place finishers will each receive an APPT Super Qualifier Entry (July 28) valued at ₱9,000.

When the field is reduced to 20% of the original number of players, a ₱50,000 bounty will be placed on each remaining player.

This amount will be awarded per elimination.

The remaining prize pool will be allocated to the Main Pool.

Once bounty tokens are in play, a player will receive one bounty token for each opponent he/she eliminates.

Approximately 12% rounded to nearest one of the field will be paid based on PokerStars payout structures.

The winner will receive APPT Manila Super Qualifier Entry valued at ₱9,000, deducted from the prize pool.

₱5,000 from each player's buy-in will be allocated to the bounty pool for the progressive knockout payout.

Progressive Knockout tournament - when a player eliminates an opponent, they receive half of that opponent's bounty as a cash prize, and half is added to their own bounty.

Illustration of Bounty Mechanics:

With a ₱10,000 buy-in (₱8,800 allocated to the regular prize pool and ₱1,200 as the admin Fee), ₱3,800 goes to the regular prize pool and ₱5,000 goes into the bounty pool.

If Player B eliminates Player A, Player B will receive ₱2,500 in cash, which is half of Player A's ₱5,000 bounty. Consequently, Player B's bounty then increases by ₱2,500, making it ₱7,500 (₱5,000 original + ₱2,500 earned from the knockout).

If Player C then eliminates Player B, Player C will receive ₱3,750 in cash, which is half of Player B's ₱7,500 bounty. Player C's own bounty also increases by ₱8,750.

As eliminations continue, the process repeats: a player collects half of each eliminated player's bounty in cash, while their own bounty grows accordingly.

If a player wins the tournament without being eliminated, they retain their entire accumulated bounty.

This progressive bounty format continues until the tournament concludes and a champion is determined.

The winner will receive APPT Manila Super Qualifier Entry valued at ₱9,000, deducted from the prize pool.

Each player will receive an additional four (4) time banks at the final table.

Eliminated players who re-enter can claim the number of time banks they had at the time of their elimination.

Each time bank card is worth 30 seconds.

For tournaments with a 30-minute clock or longer, when the tournament reaches 3 players or if a deal has been made the clock will be halved on the following level.

**Event #50: Mini High Roller**

**Event #55: High Roller Knockout**

**Event #57: High Roller Turbo**

The winner will receive a Single Day High Roller Seat valued at ₱75,000, deducted from the prize pool.

**Event #43: Big Mystery Bounty**

One (1) APPT Manila Main Event Seat valued at ₱80,000, will be included in the mystery bounty, taken from the prize pool.

One (1) Single Day High Roller Seat valued at ₱75,000, will be included in the mystery bounty, taken from the prize pool.

The total buy in of ₱50,000 is broken down as follows:

₱18,650 - Tournament Prizepool

₱25,000 - Mystery Bounty

₱5,000 - Admin Fee

₱1,350 - Service Fee

Mystery Bounties will commence once players are in-the-money. All players will receive a Mystery bounty token at the start of play.

The Mystery Bounty prize pool will be calculated on a percentage (%) basis and announced after the registration closes.

Mystery Bounty prizes will be subject to the same payout rules as tournament prizes.

The Mystery Bounty prize amounts will be displayed on the Mystery Bounty section of the tournament clock.

Players who eliminate other players will collect the Mystery Bounty token from the eliminated player.

The Mystery Bounty token will be used to randomly draw a mystery bounty prize from the Mystery Bounty box.

As each prize is drawn, the prize will be removed from where it is published, so players will always know which prizes remain.

The player must show their tournament entry ticket and ID to draw their Mystery Bounty prize.

Players have the sole responsibility for their bounty token. Lost tokens will not be replaced. Tournament staff will make reasonable effort to assist but will not be liable. Tournament staff will investigate any lost tokens to try and resolve the situation but there is no guarantee that lost tokens will be replaced

In the event of a deal where the play ends, each player will have their own bounty token to draw.

In the event of a deal where play continues, we will follow the same rules of elimination.

If multiple players eliminate another player with the same hand, the bounty token will be split.

Bounties must be redeemed before the conclusion of the bounty tournament.

**Event #69: Single Day High Roller- ₱2M GTD**

The Top two (2) will each receive an APPT Manila Package valued at ₱150,000, deducted from the prize pool.
