

## 1.1 Game Features

### STICKY WIN SPINS

Any win will trigger Sticky Win Spins, which awards up to 3 respins and up to 3125 win ways.

The first 2 levels add 1 extra row each and the last level makes all non-winning positions respin.

Each time you move from one level to another and there are new paying symbols in the extra row, one of them will be transformed into a Wild symbol. The last level will give chance to land Pyramid Wilds.

Payout is awarded after feature has ended.

### PYRAMID WILDS

Pyramid Wilds may land on a spinning position on the last level of Sticky Win Spin, maximum 1 per column.

The Pyramid Wheel on top of a reel grants a Pyramid Wild if the red section lands on top of the Pyramids tip.

When a Pyramid Wild lands it will transform all symbols (except Bonus and Wild) above to Pyramid Wild symbols.

Regular Wilds above the Pyramid Wilds will be updated as a double Wild and will count as 2 symbols.

### AKHENATEN SPINS

3 or more Bonus symbols trigger the Akhenaten Spins. 3 Bonus symbols give 8 spins. Any additional Bonus symbols award 2 extra spins per symbol.

In the Akhenaten Spins feature each Sticky Win Spin increases the win multiplier and it does not reset between spins.

In the Akhenaten Spins each Bonus symbols will award 1 extra Akhenaten Spin.

## 1.2 Game Rules

- Tomb of Akhenaten is a video slot with following feature(s):
  - Sticky Win Spins
  - Akhenaten Spins

- A 5-reel, 3-row video slot with 13 symbols and with 15 independently spinning positions.
