

Ice Joker

Unfinished Games

If your game round is disrupted, all game information and placed bets are stored until you re-open the game. You may continue your unfinished round from the point of interruption. Unresolved bets placed but remaining undecided in incomplete games will become void after 30 days. Malfunction voids all pays and plays.

Information

Payline wins occur on the number of selected paylines, according to the information in the paytable and game rules. When winning on multiple paylines in a single game round, all winnings are added together. All winnings from Features (such as Free Spins), Bonus Games and/or Scatters (if applicable) are also added to payline wins. All winning combinations are paid out at the end of a game round. Free Spin features are played with the same bet and same number of selected lines as the game round that triggered the feature – unless otherwise stated. The bet cannot be changed during a currently running game round. Please refer to the game rules for more information. All wins pay left to right, beginning with the left-most reel. Symbol wins pay for any winning payline combination without any gaps. Only the highest win is paid per active win line.

Game Rules

Ice Joker is a 5-Reel video slot machine with 20 fixed paylines.

The SPECIAL WILD symbol is represented by the ICE JOKER. The SCATTER symbol is represented by the SNOWFLAKE. Other symbols are WILD, 7, STAR, BAR, PLUM, GRAPES, LEMON and CHERRY. The WILD can only land on reels 2, 3 and 4. WILD cannot appear during FROZEN FREE SPINS.

When an ICE JOKER lands on the reels, it awards 3 FROZEN FREE SPINS. The ICE JOKER is sticky and expands with each FREE SPIN. Once it has filled the reel, it is removed. Land additional ICE JOKERS to reset the remaining FREE SPINS to 3. WIN UP TO 51 FREE SPINS.

If the ICE JOKER lands in the centre of the reel, the up or down direction it expands to will be randomly decided. ICE JOKERS can only land on reels 2, 3 and 4.

The WINTERS WILD WHEEL is triggered by landing a SCATTER on reels 1, 3 and 5. A single FREE SPIN is awarded, and 2 to 7 ICE JOKERS can be collected on the WINTERS WILD WHEEL.

The single FREE SPIN plays out and if an ICE JOKER does not land, one of the collected ICE JOKERS is added to the reels, activating FROZEN FREE SPINS. The total of collected ICE JOKERS is reduced by 1.

If no more ICE JOKERS land by the end of the FROZEN FREE SPINS, one of the collected ICE JOKERS are added to the reels, unless there is no more left. WIN UP TO 51 WINTERS WILD WHEEL FREE SPINS.

Bets are selected using the bet buttons. Click the plus and minus buttons to change the bet one step at a time. To start the round, click SPIN. When the reels stop, the symbols displayed determine your prize according to the paytable.

Maximum Win: 300000.00 USD

Actions

Paytable

- Toggles the display of the paytable.

Auto Play

- Click the AUTO PLAY button to enable/disable the Auto Play feature. In Auto Play mode, a number of consecutive game rounds are initiated automatically using your current bet settings. The Auto Play mode is automatically disabled depending on your settings or if your balance becomes too low.

Spin / Start / Spacebar

- Starts the game round with the currently selected bet. Press Spin to begin.

Stop

- Stops the reels more quickly.

Fast Play

- Toggle on for a significantly faster gameplay.
