

333 Jolly Fat Frogs™ POWER COMBO™

About this Game

This is a 5 reel, 3 row video slot game.

The objective of the game is to spin the reels so the symbols land in different combinations.

Winning combinations are highlighted on the reels and a payout is awarded.

Payline Rules

This game includes 20 paylines.

The number of paylines played is fixed.

A payline is a pattern of adjacent symbol positions that runs in a line across the reels.

A win is awarded when matching symbols land adjacent to each other on a payline.

Payline wins run from left to right, starting from the first slot reel.

Bet Rules

Each spin played costs a total bet amount.

The total bet is the number of coins multiplied by the coin size.

The bet multiplier is 10.

The initial bet is the current total bet divided by the number of paylines played.

Payout Rules

Payline win payouts are based on the initial bet placed.

The payout value is based on the winning combination formed.

The total payout is the sum of all payline wins resulting from a spin.

If multiple winning combinations land on a single payline, only the highest win is awarded.

The Paytable displays the payout for each symbol combination based on the current bet.

The win up to value displayed is rounded down, and is approximately the highest possible win achievable on a single spin.

Mystery Symbols

Mystery symbols land to reveal a random symbol before pays are evaluated for that spin.

All Mystery symbols reveal the same symbol on a single spin.

Revealed symbols may include tokens to collect.

Tokens can appear attached to Mystery symbols.

Every token that lands is collected.

Mystery symbols are stacked and can blackout the reels.

Blackouts occur when the same symbol fills all the reels.

Blackouts award all paylines at the current bet.

Free Spins Bonus Feature

Blue Token

Blue Tokens are collected in the base game to randomly add a Free Spin to the Blue Frog.

Up to 40 Free Spins can be accumulated.

The feature triggers randomly upon collection of a Blue Token to the Blue Frog.

The Free Spins count resets to 10 on return to the base game.

Multiplier Bonus Feature

Red Token

Red Tokens are collected in the base game to randomly increase the Free Spins Multiplier of the Red Frog by 0.5x.

A multiplier of up to 10x can be accumulated.

7 Free Spins are randomly triggered by the Red Token, unless triggered with the Free Spins Bonus Feature.

Collected multipliers are applied to any line wins during Free Spins.

The Free Spins Multiplier resets to 2x upon return to the base game.

Jackpot Bonus Feature

Gold Token

Gold Tokens collected in the base game may increase the Mini, Minor, Maxi, or Major Jackpot values.

Gold Tokens collected in the base game grant a chance of triggering Free Spins with Jackpots available.

Jackpots

Jackpot Coloured Overlays

The Jackpot Bonus Feature can be triggered for a chance to win 1 or more of the Jackpots.

All Jackpots except Grand can be won multiple times.

Each Jackpot has a colour that corresponds to an overlay that can randomly appear over symbols in the Free Spins.

Revealed Mystery Symbols may include coloured Jackpot Overlays.

Jackpot Overlays are collected into corresponding Jackpot meters.

Once a Jackpot meter is filled, the associated Jackpot prize is awarded.

Once a Jackpot has been awarded, that specific Jackpot resets to its starting value.

Subsequent awards of the same Jackpot pay out the starting value.

The Paytable displays the starting value of each jackpot.

Jackpot Coloured Overlay symbols appear in the Jackpot Bonus Feature only.

POWER COMBO™ Free Spins

The POWER COMBO™ feature can trigger Free Spins with any combination of Bonus Features.
