

Dio Killing the Dragon

Unfinished Games

If your game round is disrupted, all game information and placed bets are stored until you re-open the game. You may continue your unfinished round from the point of interruption. Unresolved bets placed but remaining undecided in incomplete games will become void after 30 days. Malfunction voids all pays and plays.

Information

Way wins are awarded for adjacent symbol combinations, according to the information in the payable and game rules. When winning on multiple ways in a single game round, all winnings are added together. All winnings from Features (such as Free Spins), Bonus Games and/or Scatters (if applicable) are also added to way wins. All winning combinations are paid out at the end of a game round. Free Spin features are played with the same bet as the game round that triggered the feature – unless otherwise stated. The bet cannot be changed during a currently running game round. Please refer to the game rules for more information. All wins pay left to right, beginning with the left-most reel. Only the highest win is paid per winning symbol combination.

Game Rules

DIO Killing the Dragon is a 5-reel Video Slot with 243 Payways. The game features a SCATTER symbol, a WILD symbol, a SPECIAL symbol, a DIO symbol, 3 Monster symbols, and 4 suit symbols.

LOCK UP THE WOLVES. Landing a WILD in the open cage on reel 1 triggers LOCK UP THE WOLVES re-spin. As the cage closes the WILD becomes sticky, another open cage is then added to the next reel. LOCK UP THE WOLVES can be re-triggered up to 4 times by landing a WILD in the open cage. This feature is not active during FREE SPINS.

3 or more SCATTER symbols trigger FREE SPINS. The number of FREE SPINS awarded is based on the number of SCATTERS landed: 3 SCATTERS award 6 FREE SPINS. 4 SCATTERS award 8 FREE SPINS. 5 SCATTERS award 12 FREE SPINS.

WILD ONE. During FREE SPINS WILDS landing on reels 2, 3, or 4 become sticky.

SPECIAL SYMBOL. During FREE SPINS a SPECIAL SYMBOL might land on reel 5, triggering 1 of 3 features, and awarding 2 additional FREE SPINS.

FALLEN ANGEL. During FREE SPINS, the SPECIAL SYMBOL's FALLEN ANGEL feature will add a falling WILD at the top of reel 1. FALLEN ANGEL can re-trigger and return the sticky WILD to the topmost position of reel 1. This WILD becomes sticky and moves down 1 position with each FREE SPIN and is removed after passing the last position.

SYMBOL UPGRADE. During FREE SPINS the SPECIAL SYMBOL's SYMBOL UPGRADE feature will upgrade the lowest value Monster Symbol to a DIO symbol. This continues until all Monster Symbols are upgraded to DIO symbols. Defeat the Dragon by upgrading all Monster Symbols to DIO symbols. SYMBOL UPGRADE cannot trigger once all Monster Symbols have been upgraded.

WILD MULTIPLIER. During FREE SPINS the SPECIAL SYMBOL's WILD MULTIPLIER feature will increase the MULTIPLIER of a randomly selected sticky WILD on reels 2, 3, or 4 by x1, up to x5. WILD MULTIPLIERS are applied to payway wins and they multiply up to x504. WILD MULTIPLIER can only trigger if there is at least one WILD on reels 2, 3, or 4 with a multiplier less than x5.

A selection of hit songs from the band DIO are available via the PLAYLIST.

Bets are selected using the bet buttons. Click the plus and minus buttons to change the bet one step at a time. There are 243 fixed pay ways. Way wins are awarded for left to right adjacent symbol combinations. To start the round, click SPIN. When the reels stop, the symbols displayed determine your prize according to the payable.

Any combination of wins resulting from a single game cycle, including the results of any possible triggered bonuses, is capped at a maximum of 15000 times total bet.

Actions

Paytable

- Toggles the display of the payable.

Auto Play

- Click the AUTO PLAY button to enable/disable the Auto Play feature. In Auto Play mode, a number of consecutive game rounds are initiated automatically using your current bet settings. The Auto Play mode is automatically disabled depending on your settings or if your balance becomes too low.

Hyper Spin

- Pressing and holding down the SPACE button activates Hyper Spin mode after 1.5 seconds. The spins speed up immensely but slow down if a feature is activated.

Spin / Start / Spacebar

- Starts the game round with the currently selected bet. Press Spin to begin.

Stop

- Stops the reels more quickly.

Fast Play

- Toggle on for a significantly faster gameplay.
